

Design your own Raccoon Habitat

The raccoons need a new habitat. Use the box below to draw your raccoon habitat. Don't forget to include all of the different features of the habitat.

Explain the different features in your habitat and why you included them for the raccoons:

Name of Feature	Why is it in the Habitat?

Bonus Question: What types of Enrichment would you provide for your raccoons?

Hint: Enrichment is something which you can give raccoons to play with and keep them busy.
